

How To Reset Your Password

Guide to Resetting Your Password

There are two ways to reset your password for the INVISION Platform.

The first option is to reset your password using the email associated with INVISION.

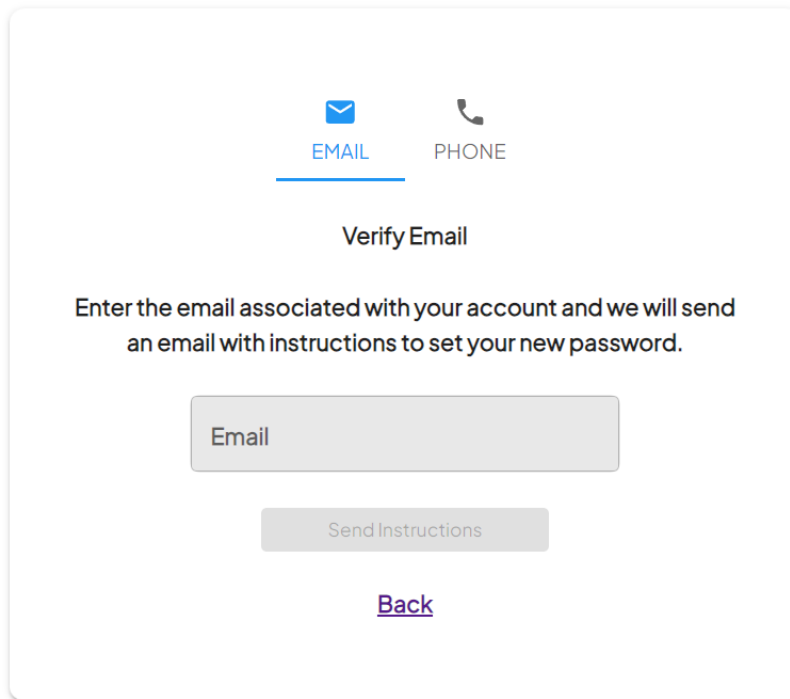

1. Visit the INVISION Website

- Navigate to the [INVISION Login Page](#) where the default option to change your password is using your email. Click on **Verify your Account**.

A screenshot of the INVISION login interface. At the top is the 'INVISION' logo. Below it are two input fields: 'Email' and 'Password'. The 'Password' field has a toggle icon on its right. Below these fields is a 'Login' button. At the bottom, there is a link that says 'First time logging in or forgot your password?' and a blue button labeled 'Verify your Account'. This bottom section is enclosed in a red rectangular border.

2. Verify Your Email

- Enter your system email and click the button that says **Send Instructions**.

A screenshot of a mobile application screen titled "Verify Email". At the top, there are two options: "EMAIL" with a blue envelope icon and a blue underline, and "PHONE" with a black telephone handset icon. Below the options, the title "Verify Email" is centered. Underneath the title, a message reads: "Enter the email associated with your account and we will send an email with instructions to set your new password." Below this message is a light gray rectangular input field with the placeholder text "Email". Under the input field is a gray button with the text "Send Instructions". At the bottom of the screen is a purple link labeled "Back".

EMAIL PHONE

Verify Email

Enter the email associated with your account and we will send an email with instructions to set your new password.

Email

Send Instructions

3. Check your Email

- An email will be sent to you, with a link to set up your password.
- Don't forget to check your Junk or Spam folders, if you cannot find this email.

4. Change Your Password

- In the email from INVISION, you will find a link. Click on this link to set up a new password for your account.
- It's important to choose a strong, secure password as this will protect your account and data.
- Enter your new password and click the button to confirm.
- Your password has now been reset, and you can login to INVISION.

Create New Password

Your new password must be different from previous used passwords.

Confirm Password...👁

Both passwords must match

Change Password

The second option is to use the phone number associated with the INVISION Platform.

1. Switch Verification Method to Phone

- You first need to select the Phone option at the top of the screen.

EMAIL

PHONE

Verify Phone

Enter the phone number associated with your account and we will send you a 6 digit code for account verification.

Entering your phone number will sign you up to receive SMS.

Phone Number

Enter phone number

Send Code

2. Input Your Phone Number

- Enter the phone number you have setup with INTENT.

- Don't forget to include the country code (For the US, the country code is +1).

3. **Verify Your Phone Number**

- Hit the button that says **Send Code**.

Verify Phone

Please enter the 6 digit verification code you received via SMS

Phone Number

+1 573 760 2651

Code

Submit

Didn't receive the code?

Resend code

[Back](#)

- A 6 digit code will be sent to your phone through a text message. Enter this code into the box that appears, and hit **Submit**.
- Once the correct code is entered, you will have the option to set up or reset your password.

2. **Change Your Password**

- It's important to choose a strong, secure password as this will protect your account and data.
- Enter your new password and click the button to confirm.
- Use your registered email address and the new password to login and start exploring the platform.

By following these steps, you'll successfully gain access to INVISION, where you can manage, process and standardize geospatial agronomic data and to get rapid actionable insights for your trials.
