

Using the Planner for Low Service Visits

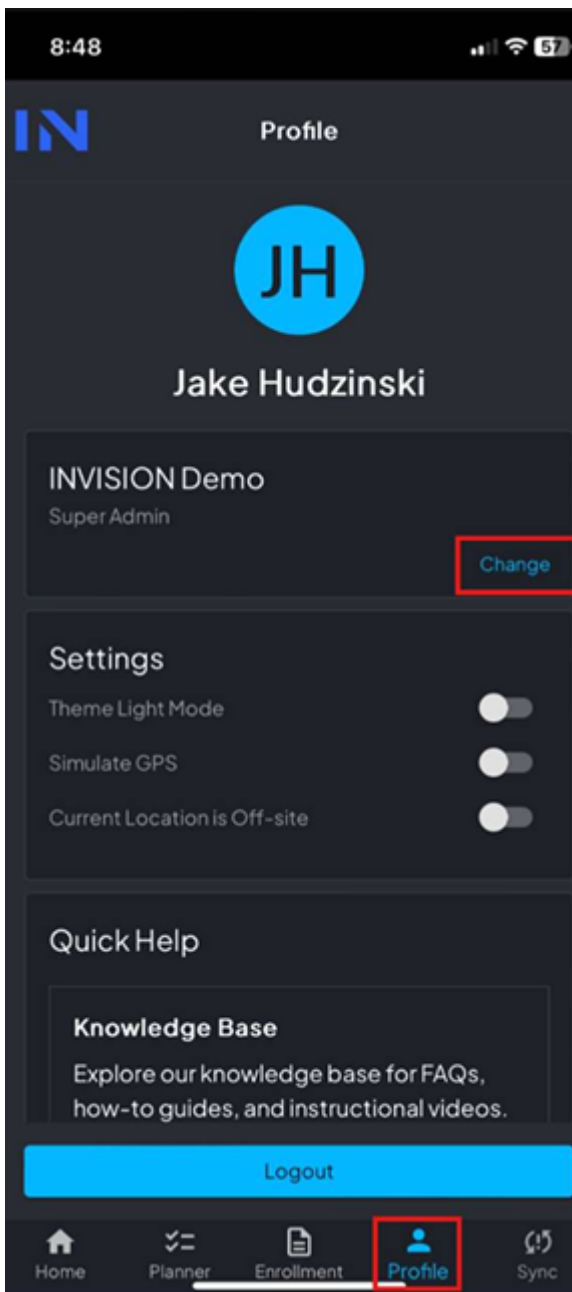

Using the Planner for Low Service Visits

Prior to visiting a field where you anticipate having low/no service, download the Field Visit to your mobile device by creating a Plan in the INVISION Planner

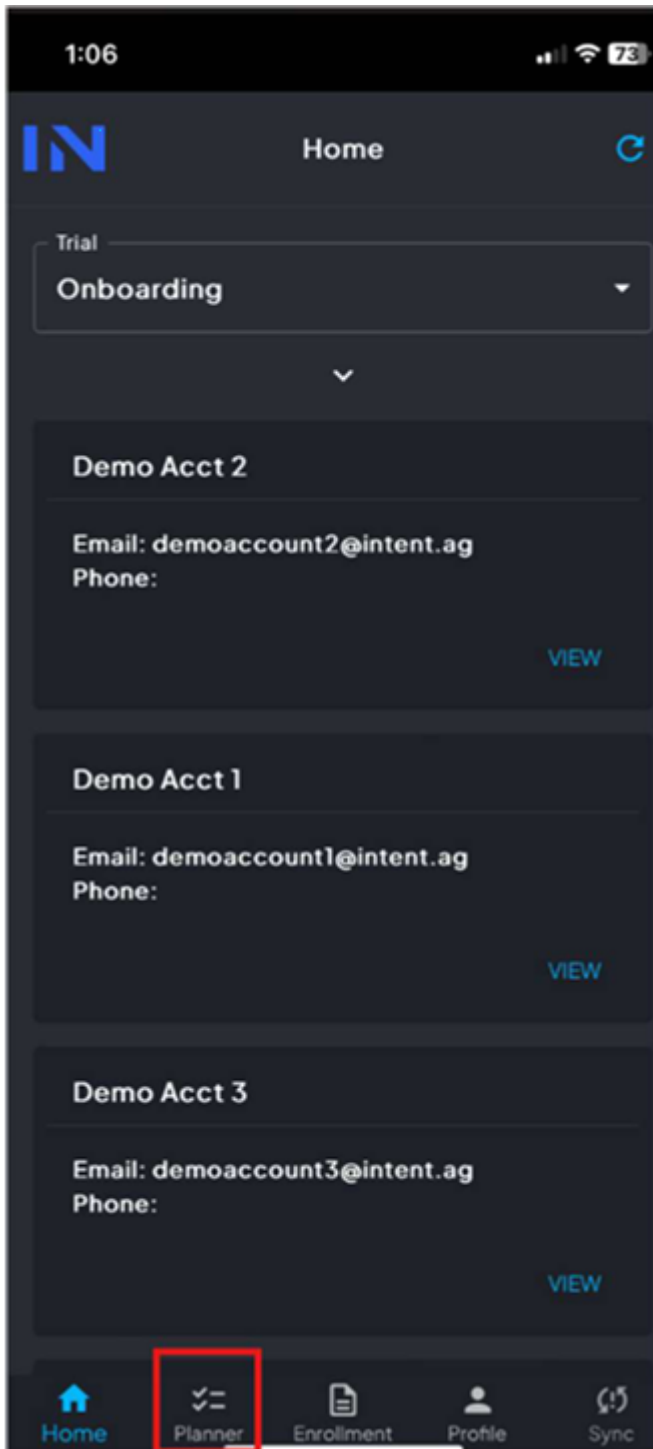

- Visit <https://trials-mobile.prod.intent.ag/> or open the INVISION Mobile app and login using your email and password

The image shows the login interface of the INVISION mobile application. At the top, the word "INVISION" is displayed in a large, bold, sans-serif font, with "IN" in blue and "VISION" in white. Below the logo, there are two input fields: "Email" and "Password". The "Email" field contains the text "jake.hudzinski@intent.ag". The "Password" field is filled with dots and has a small eye icon to its right. Below these fields is a large blue button labeled "Login". Underneath the "Login" button, there is a link that says "First time logging in or forgot your password?". At the bottom of the screen is another large blue button labeled "Verify your Email". The entire interface is set against a dark background.

- Plans are Client-specific, so be sure you are in the correct Client.
 - To change Clients, click in the **Profile** tab and select **Change**

- Select the **Planner** tab

- Select **Start Planning Now**

No Field Visit Plan Yet?

Create your plan now.

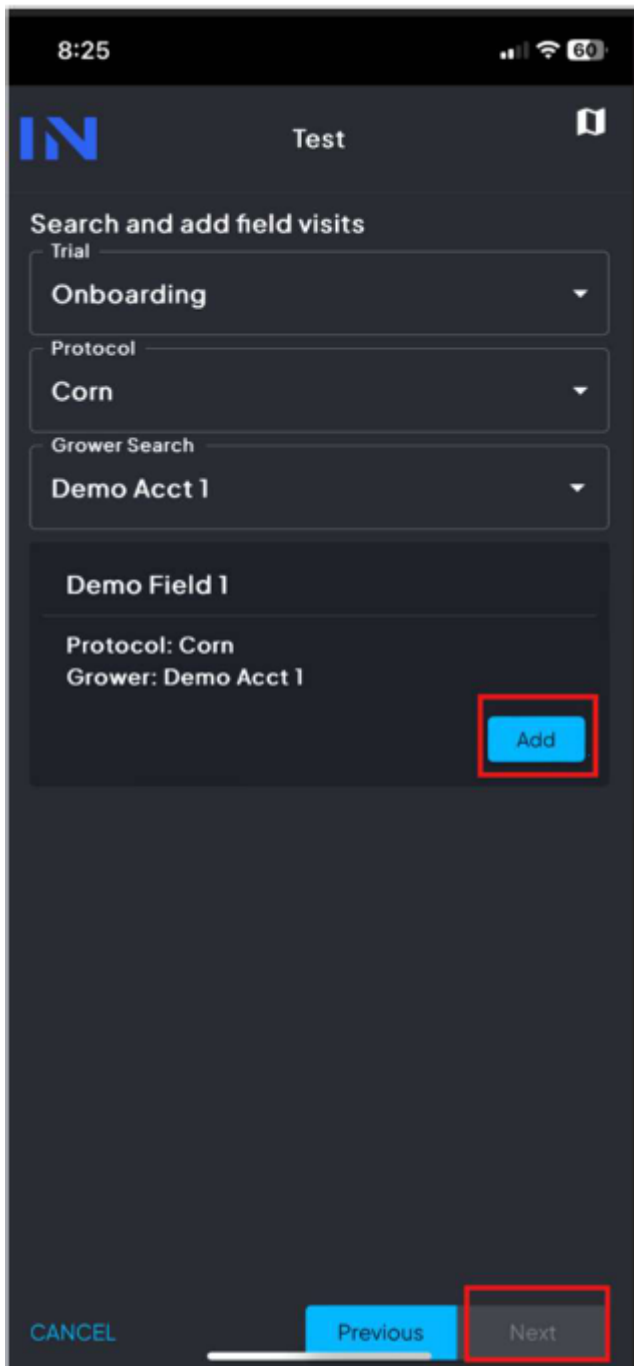

Start organizing your field visits efficiently. Plan ahead, manage your tasks, and access everything offline, ensuring you're always prepared.

Start Planning Now

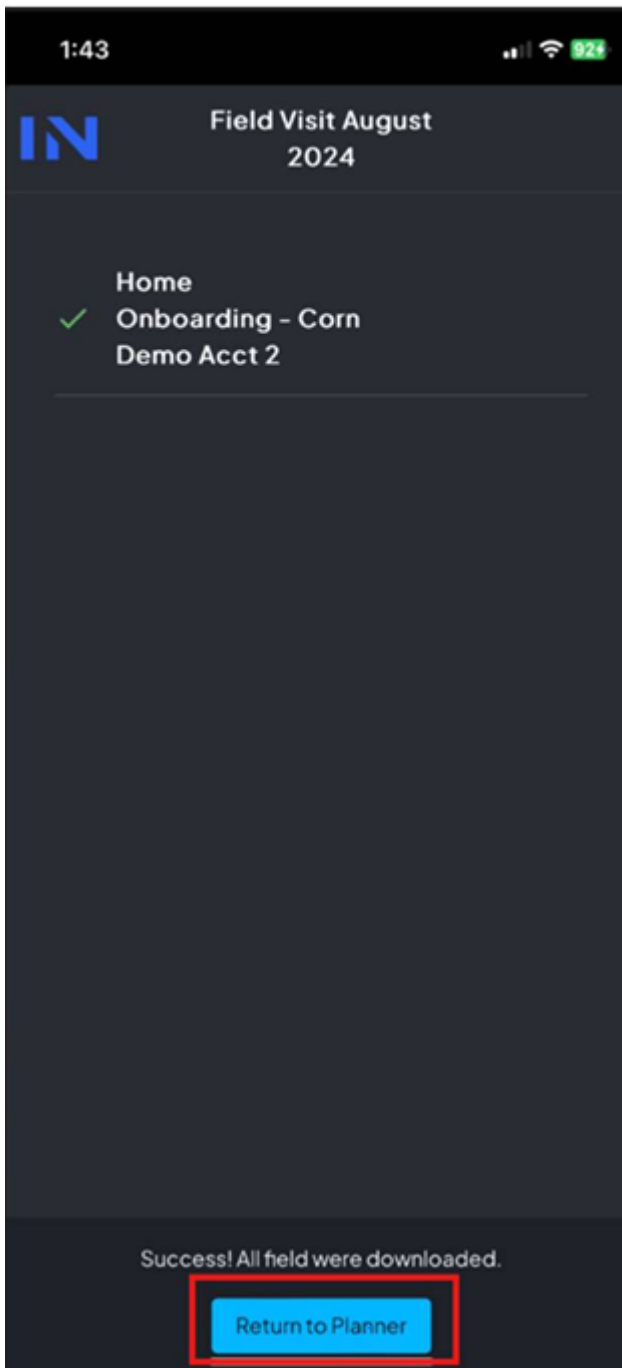

- Create a name for the visits and click **Next**

A screenshot of a mobile application interface. At the top, the status bar shows the time 1:15, signal strength, Wi-Fi, and a 72% battery level. The main screen has a dark background. The text "What name do you want to give it?" is displayed in white. Below this is a text input field containing "Field Visit August 2024", which is highlighted with a red rectangular box. At the bottom, there are three buttons: "CANCEL" in light blue, "Previous" in grey, and "Next" in blue, which is also highlighted with a red rectangular box.

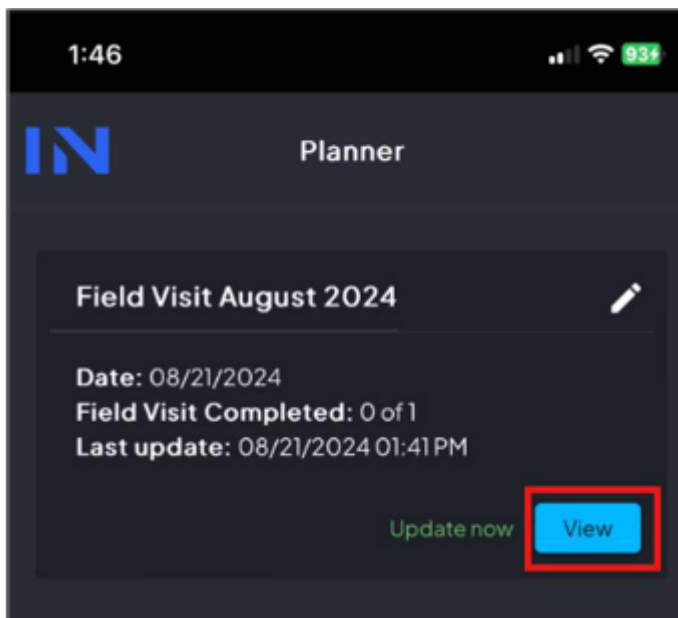

- Select your **Trial**, **Protocol**, and **Grower** from the dropdowns, find the field you plan on visiting, and select **Add**
 - You will repeat this step for all fields you wish to add to your Plan

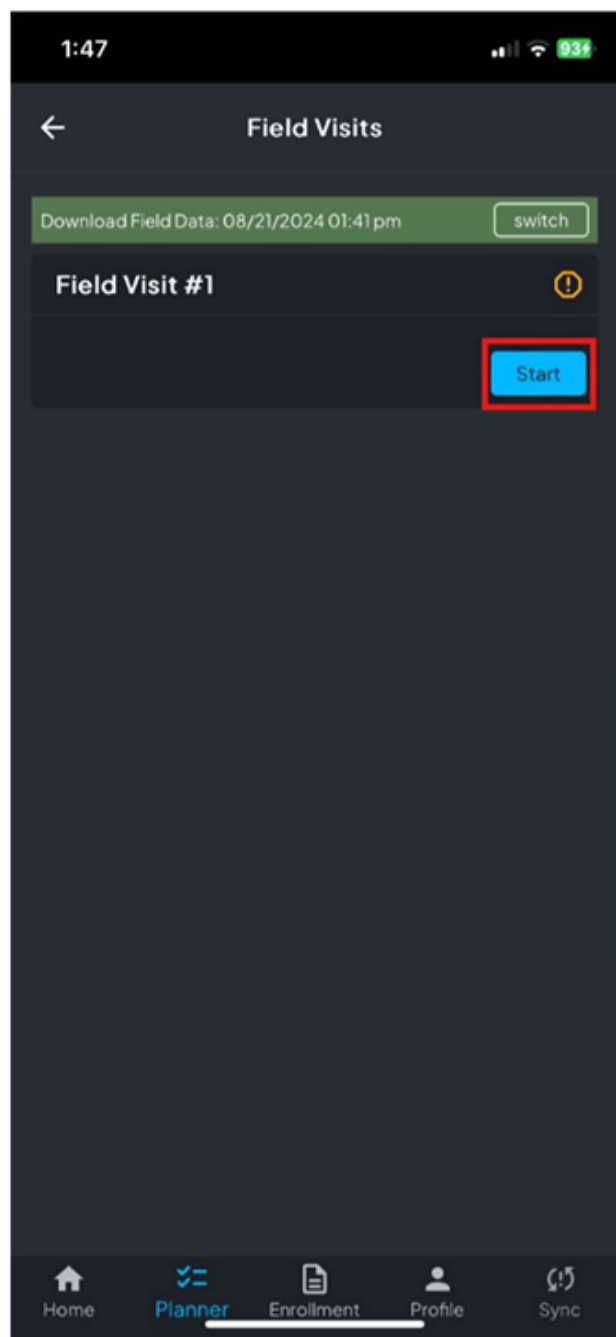

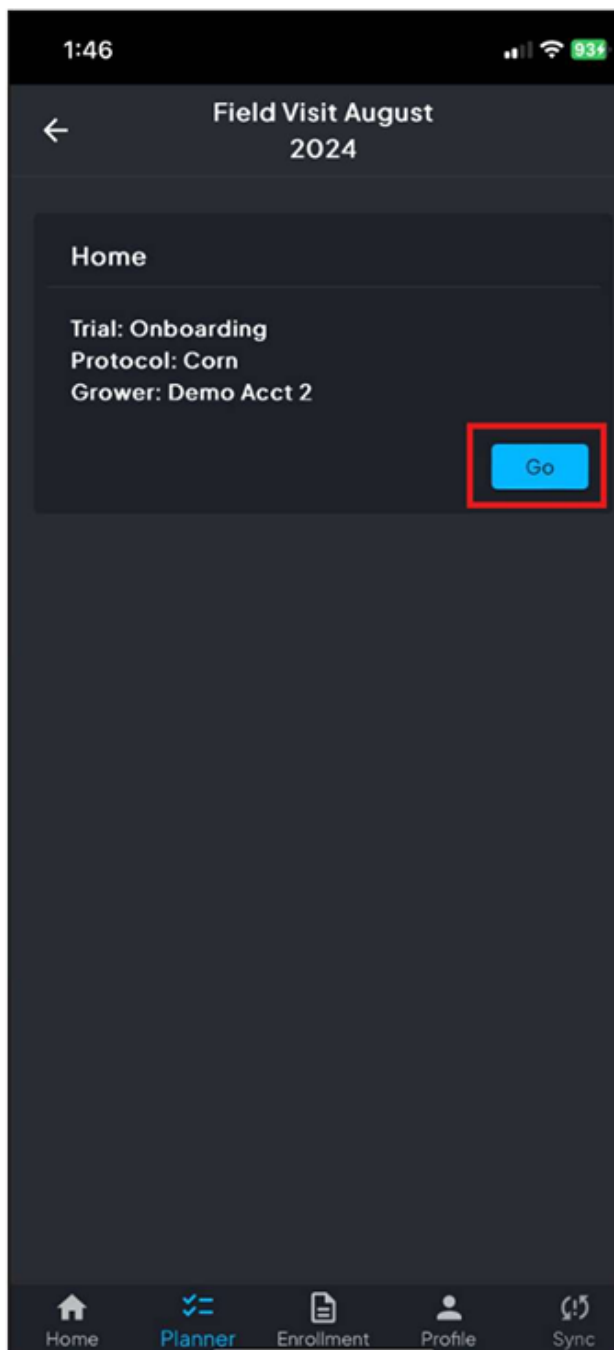

- Click **Next**, and a download will begin. When it's finished, you will see a green checkmark next to the field and a success message. Select **Return to Planner**

- You will now see the Plan you created in your Planner

- To start the Field Visit when you don't have any service, select the **Planner** tab, select **View** on the Plan you created, and select **Go** on the field, and click **Start**

Revision #1
